

Hi,

My Name is Karen and I am the Director at Labrador Playschool Early Learning Centre. I am writing to you today to share with you the benefits we have discovered as a centre of using doTERRA products and Diffusers throughout our two services.

Not only are the diffusers pretty and the oils smell lovely but they play a major part in the cleanliness and health of the services. As an outline we have diffusers in all of the rooms, as well as the common areas such as the office and foyers. The main oils we diffuse are on-guard, lemon, lavender, breathe, and serenity. We have also replaced our cleaning chemicals with the on-Guard concentrate. Since introducing doTERRA to the services the cost of cleaning products has reduced so too has the amount of sick days the staff and children have. Most staff in our service have also adopted doTERRA at home and so have some families. We LOVE it!

Please do not hesitate to contact me if you would like to know more.

Thanks and have a great day,

Kind regards,

Karen Blank
