

MY WHY- I DO THIS?

- My mission, along with doTerra is to have a **“ HEALER IN EVERY HOME”**
- To empower everyone to take back control of their own health and wellbeing and that of their family
- To show people they can make the choice to live a toxic free life in a chemical free home
- If you would like to partner with doTerra and me to change LIVES one drop at a time, make sure you speak with me after the class.
