
TOP 10 USES FOR IMMORTELE[®] OIL

- 1. Eyes & Vision:** Apply gently around the eyes. For sensitive skin, dilute a little bit with Fractionated Coconut Oil. Immortelle is excellent for reducing wrinkles & puffiness around eyes. It is great for tired eyes and to help improve vision. May also help lashes growing in longer.
- 2. Sun spots & Sunburns:** Apply directly on sun spots and repeat regularly. Apply slightly diluted with Fractionated Coconut oil or jojoba oil on sunburns. Repeat regularly.
- 3. Scars & Stretch marks:** Apply directly on areas of concern. Repeat 2-3 times a day.
- 4. Blemishes:** Apply directly on areas of concern. Repeat 2-3 times a day.
- 5. Detoxification:** Apply to tissues around the ears and down the side of the neck and the back of the neck 2-3 times a day to relieve tissues of toxins and unpleasant heavy metals. Remember to consume gallons of water to flush the unwanted material away.
- 6. Reduce Head Tension:** Roll Immortelle across the muscles at the base of the neck and on the temples at the beginning of the head tensions. Re-apply every 20 minutes if necessary. May be combined with Peppermint for really tough head tensions.
- 7. Neurological Benefits:** This amazing blend is great for assisting the body with recovering from closed head injuries. Apply to the bones at the base of the skull, bones behind the ears, and along the jaw line. Repeat twice a day.
- 8. Thyroid:** Roll Immortelle over thyroid area to help for thyroid support.
- 9. Clarity of Thinking:** Apply across the back of your neck below the bones at the base of the skull. Inhale Immortelle deeply. Keep breathing it in for 3 minutes to assist your clarity.
- 10. Calm Kids:** Apply along the spine of children to help mind and body connection.
