PRODUCT DESCRIPTION

Colorless and odorless, dōTERRA Body Oil is intended to be blended with your favorite essential oils. Exceptionally hydrating for soft, supple skin, dōTERRA Body Oil is a carrier oil blend made with pure, natural, plant-based ingredients. This nourishing and replenishing oil is lightweight, yet penetrating, making it ideal for use in professional or DIY massage settings. dōTERRA Body Oil makes it easy to adjust pressure and glide when performing bodywork. Use it in the bath, after a shower, or for direct application to especially dry areas of the skin. With dōTERRA Body Oil, skin feels smooth and silky to the touch.

USES

Blend with your favorite essential oils and:

- Create a customized massage oil.
- Add a few drops to bath water.
- Smooth on after a bath or shower.
- Apply to dry spots like elbow and knees.

DIRECTIONS FOR USE

Use as a light carrier oil for topical applications of CPTG® essential oils. Dilute one part essential oil to five parts or more of the carrier oil blend depending on skin sensitivity, or as directed on essential oil label. Can also be used to minimize sensitive skin reactions to essential oils by applying directly to affected area.

CAUTIONS

For external use only. Keep out of reach of children. If pregnant or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas. Store in a cool, dry place.
