## PRODUCT DESCRIPTION

Laurel Leaf essential oil is extracted by steam distillation from the freshly picked leaves of the Laurel evergreen tree that is native to the Mediterranean. With a rich history, laurel leaves have long been a symbol of victory in Greek mythology. Today, laurel leaves are symbols of eternal glory, special achievement, success, and triumph. The oil is known for its bright, spicy, sweet scent. Uplifting to the senses, this aroma can promote confidence and courage as well as feelings of clear thinking and concentration. Laurel Leaf is soothing to the skin and can provide a soothing massage after workout. High in cleansing eucalyptol, Laurel Leaf essential oil can be used as a refreshing surface cleanser.

## USES

- Use three to four drops in a diffuser for an uplifting atmosphere.
- Ideal for creating a soothing massage experience.
- Place a few drops in your morning shower to invigorate and promote vitality.
- Add one drop to a moisturizer and apply to skin to leave skin clean and revitalized.

## DIRECTIONS FOR USE

**Diffusion:** Use three to four drops in the diffuser of choice.

**Topical use:** Apply one to two drops to desired area. Dilute with a carrier oil to minimize any skin sensitivity. See additional precautions below.
