PRODUCT DESCRIPTION

A strong immune system is more important than ever and dōTERRA On Guard+ Chewable Tablets are formulated to help maintain healthy immune system function and provide your body needed support when taken internally. These tablets contain the proprietary dōTERRA On Guard® Protective Blend, vitamin C, vitamin D, Zinc and powerful beta-glucan. Significant studies over several decades show that beta-glucan, a natural prebiotic fiber, helps your body create a healthy gut microbiome and acts as an immunomodulator, proven to help your immune system work as efficiently as possible.* Perfect for the family, easy to consume dōTERRA On Guard+ Chewable Tablets are optimized for absorption. Vegan-friendly and free from gluten, sugar, and artificial sweeteners, On Guard+ Chewable Tablets are convenient to use anytime, anywhere.

DIRECTIONS FOR USE

Chew three tablets per day as needed to promote healthy immune function.*

CAUTIONS

Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Store in a cool, dry place.
