PRODUCT DESCRIPTION

There are so many things that can affect the condition of skin. A day at the beach in the sun, wintry winds on the slopes, excessive heat or cold, even age and genetics. Formulated with CPTG® plant ingredients, dōTERRA Sensitive Skin Blend is a gentle carrier oil formulated to calm, comfort, and condition skin. A proprietary combination of fatty oils including Grapeseed, Hempseed, and Rosehip, dōTERRA Sensitive Skin Blend is high in linoleic acid known to fortify and protect the skin's moisture barrier. Lightweight, comforting, and penetrating, the blend soothes and nourishes dry, distressed, and irritated skin. Dilute your favorite CPTG® essential oils in this odorless, colorless blend to enjoy their benefits, while minimizing reactions. Use dōTERRA Sensitive Skin Blend in the bath, after a shower, in a massage, or apply directly to especially dry areas to help keep skin hydrated and healthy-looking.

USES

- Create a soothing skin experience by combining 4–5 drops of the carrier blend with 1–2 drops of your favorite essential oil.
- Smooth onto skin after a bath or shower with your favorite skin-nourishing essential oil like Geranium, Rose, or Helichrysum.
- Apply to dry spots like elbow and knees.

DIRECTIONS FOR USE

Use as a light carrier oil for topical applications of CPTG® essential oils. Dilute one part essential oil to five parts or more of the carrier oil blend depending on skin sensitivity, or as directed on essential oil label. Can also be used to minimize sensitive skin reactions to essential oils by applying directly to affected area.

CAUTIONS

For external use only. Keep out of reach of children, If pregnant or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas. Store in a cool, dry place.
