PRODUCT DESCRIPTION

Close your eyes. The morning is crisp and clear. Take a deep breath. A fresh, sweet aroma begins to waft around you. Exhale. There's a way to create that feeling any time, wherever you are: Air-X. A blend of natural essential oils, Air-X includes Litsea, Tangerine, Grapefruit, Frankincense, and Cardamom. With an intense citrusy, woody, and faintly herbal aroma, Air-X is designed to help freshen the air when diffused. Experimental research suggests that Litsea, an essential oil used in Air-X, soothes and promotes feelings of openness. Results from early research demonstrate Limonene, a major component found in Air-X, may provide cleansing benefits.
